CONFIRMATION OF PROFICIENCY IN ENGLISH
MASTER BISMARCK KWABENA BOAMPONG

At the request of Bismark kwabena, I confirm that he was a student of Prempeh College from October, 2016 to June, 2019.

I also confirm that he pursued science through English medium of instruction and he is expected to write the West African Senior School Certificate Examination in English.

He speaks English fluently and I have no doubt that he is capable of pursuing further studies through English.
